

*Now to him who is able to do far more abundantly than all that we ask or think, according to the power at work within us, to him be glory in the church and in Christ Jesus throughout all generations, forever and ever. Amen.
(Ephesians 3:20-21)*

TRUSTING GOD FOR MORE: THE TIME IS NOW

God has already done far more abundantly than we could have asked or thought. He stirred a family in our church to give far more abundantly, He placed us in a location that is far more strategic and He provided a facility with more space and function, all more than we could have asked or thought.

We are asking individuals and families to give now during this extraordinary season in our church history. The more funds we are able to put towards the principal before the milestone closing date of June 27, 2018, the less we'll need to pay in interest for years to come. As a church body, we will never have this moment again.

This fall, we will unfold the details of the Trusting God for MORE campaign and, at that time, will invite you to partner with us to free up resources for future ministry. However, as you read this message, we're requesting you to:

- Ask the Lord how you and your family will participate in the celebration of all that He has done
- Get ready with a budget for your household that involves increased giving, and,
- Give now with faith knowing that you're not just giving to a building, you're giving to a vision that will last into eternity.

In addition to giving via cash or cheque at our weekend worship services (designating the donation to our Building Fund), you can submit your tax-deductible donation online by clicking donate today and selecting Building Fund.

If you have any questions, please e-mail the team at more@harvestbrampton.ca.

"Now to him who is able to do far more abundantly than all that we ask or think, according to the power at work within us, to him be glory in the church and in Christ Jesus throughout all generations, forever and ever. Amen." --Ephesians 3:20

With you, trusting God for more,

Ted Duncan
